

PINE COURT HOUSING
ASSOCIATION

COMMUNITY DEVELOPMENT FUND APPLICATION PACK

2018/19

Your chance to make a difference in your community

APPLICATION PACK AND GUIDELINES

Who can apply?

Individuals, Residents Groups, Community Groups, Charitable Organisations or Social Enterprises working in areas where Pine Court Housing Association manages homes. Profit making organisations/individuals may not apply.

Ideally, Resident or Community Groups should be constituted and have their own bank account. In some circumstances we may consider acting as the fund holder for non-constituted groups who do not have a bank account.

What can I apply for?

The Fund is available to support small scale Community projects that will enhance the quality of life for Pine Court Residents and make a real difference to the neighbourhoods where Pine Court Residents live. This can include physical improvements such as gardening projects and play equipment or community projects such as activities for young people, community fun days and luncheon clubs for older people.

How much can I apply for?

Pine Court Housing Association has £10,000 available to fund Community Projects for 2018/19. No one project will be allocated more than 50% of the total amount of money available. Any bids requesting a large proportion of funding will need to show how they will significantly benefit Pine Court Housing Residents and the wider community.

Are there any restrictions on what can be funded?

The fund will not support on going office or management costs. In terms of staffing the fund will not be used to support salary costs for employees but will pay for staff time in delivering sessional activities for example football/basketball coaching or dance classes.

The fund is also unable to support any items for Pine Court Residents that should be covered under their service charges nor can the fund support projects that will increase the value of an individual's property.

All projects awarded funding must be delivered by 31st March 2019.
